

GONE TO JOIN HER MASTER

Beautiful Christian Life Came to a
Close with the Death of Mrs.
Mary Stoner.

A life that has been full of service to her Lord and Master and the doing of good deeds for her fellow beings came to a close shortly after one o'clock Monday morning when Mrs. Mary Stoner sank into peaceful slumber and passed over the Great Divide to join the loved ones gone before.

Mrs. Stoner was born November 17th, 1828, and was therefore past 86 years of age. She was born in Clark county near Winchester and shortly thereafter moved to Bath county, where at the age of 15 years she married Mr. Peter Tribble Stoner and moved to Tennessee to make their home, but did not stay there but a short while, when they moved to the home place in this county and where she lived the balance of her life. Her union with Mr. Stoner, who died in 1871, was not blessed with any children but this good woman has taken the part of a mother to many. She possessed a bright, happy, sunny disposition, would always see the good instead of the bad in everything and was always happiest when helping someone out of a difficulty or aiding those in sorrow or affliction.

In speaking of her we heard a good man who has lived long in this community and knew her well, say "she made more people happy than anybody I ever knew."

When quite a young girl she united with the Christian church under the preaching of "Raccoon" John Smith, and since that time she has always been true to her church and her God and has lived a life of Christian usefulness and service and one we would all do well to emulate.

Words seem weak, frail and inadequate to express the loss to the community in her death, but we are sure that everyone who knew her, will agree with us that the influence she wielded for good will live on after her, a perpetual monument to her goodness.

She is survived by three sisters, Mrs. Sallie Berry, Mrs. Amanda Clay and Mrs. Margaret Burgin and one brother, Mr. William T. Phelps, all of this county, besides many other relatives in Montgomery, Bath, Bourbon and Clark counties.

Funeral services will be conducted at her late residence this morning at 10:30 o'clock by Rev. Clyde Darsie, of the Christian church, assisted by Rev. B. W. Trimble, with burial in Macphelah cemetery.

To the bereaved family we extend our tenderest sympathy and may the knowledge that she has gone to be with Him whom she loved and served so long, be a balm to their aching hearts, and give them surcease from sorrow.

PART OF SUIT IS COMPROMISED

Big Damage Suit Against Kentucky Utilities Company on Trial

The damage suit of Mr. French McCarty against the Kentucky Utilities Company and the C. & O. R. Co., is now on trial. The suit is for \$25,000.00 for the killing of Ray McCarty, a son of the plaintiff and as to the C. & O. R. Co., it has been dismissed settled. It is reported that it was compromised by the R. R. Co., paying \$3000.00. The main ground for damages against the Utilities Company is the fact that it employed a boy under the legal age without the written consent of his parents. DECIDES FOR "DRY" FORCES

Circuit Judge William A. Young
Passes on the Case Here Monday
Afternoon.

The local option case appealed from the Contest Board to the Circuit Court and which had been set last week for trial on Monday, came up at one o'clock Monday afternoon.

The arguments for the "drys" were made by Attorney John G. Winn, while the arguments for the "wets" were made by Judge Lewis Apperson.

The arguments and the submission of authorities consumed something over three hours as the judge desired to give both sides ample opportunity to present their case.

After considering the matter and listening to the arguments of counsel, Judge Young dismissed the appeal of the "wets" from which Judge Apperson asked and was granted an appeal to the Court of Appeals.

As we understand the law the case will now come up for trial at the April term of the Court of Appeals and the saloons will be permitted to run until the case is finally passed upon by that august body.

The "drys" are jubilant over the decision and confidently assert the result will be the same in the Court of Appeals.

TOBACCO MEN HOLD MEETING

At Frankfort Tuesday to Formulate
Plans Toward Permanent
Organization

Tobacco growers from about forty counties of this State met at Lexington last week and appointed a permanent organization committee and the committee so appointed met at Frankfort Tuesday afternoon.

The plans include among others a proposition that the former constituents of the tobacco trust be prosecuted by the Attorney General for their alleged failure to obey the Sherman anti-trust law; the curtailment of the 1915 or 1916 tobacco crops or both of these crops; a cut-out of one or both crops, and various co-operative plans. Lexington has offered to furnish offices and as it is centrally located and the largest tobacco market in the State we know of no better place that could be selected.

As we went to press before the meeting adjourned it is impossible for us to give an account of what the committee did.

OPPORTUNITY

Having just received notice of the J. B. Corset Co. deciding to discontinue business, we, too, have made a decision. The following is our decision: Our entire line of Corsets must be closed out quickly and we are making **ONE PRICE** on any of our stock of \$1.50, \$2.00, \$2.50, \$2.75 and \$3.00 Corsets, and that is

Choice \$1.00

We regret the action of this Company very much, as we were very well pleased with their goods and had built up a nice trade on same, but necessity, not choice, makes us reach a decision.
